

LEGAL TEMPORARY AGENCIES

[McGeorge Career Development Office, Updated April 2011]

This list serves as a head start for those seeking work with a temporary legal agency. This list has been compiled from a variety of sources; it is not meant to serve as a comprehensive list. Inclusion also does not serve as an endorsement of any agency. Before making any arrangement with a legal temporary agency or search firm, inform yourself of the agency's terms and conditions (such as how and when they will send your resume to an employer). You may also want to secure a reference regarding the agency. For example, you may know of an attorney who has worked through the agency or you might ask the agency to give you a few names of employers who have used the agency.
