Many of our databases may be accessed through off campus our on-line catalog (GoCat). To access a database please follow the instructions below.

**Accessing Databases**
1. Go to GoCat [http://pacificatclassic.pacific.edu/](http://pacificatclassic.pacific.edu/)
2. Search for the database you want to access by looking in the catalog. For a list of all databases by subject please see the library’s Electronic Resources website at [http://libguides.mcgeorge.edu/databaselists](http://libguides.mcgeorge.edu/databaselists).
3. Click on the link provided in the catalog record (see example below).

4. Type in your name and library barcode or student ID number & click “submit.”

5. Depending on your computer setting, you may receive a prompt regarding the security certification setting for this website, if so click “Yes” in order to proceed.

For assistance with using this system please contact the reference desk at refdesk@pacific.edu or (916) 739-7164. To obtain assistance with your student ID please contact the Registrar’s Office.
